Mrs Jackson,

We understand that the Canadian Government Department of National Defense (DND) is expediting repairs and overhaul of the ES125155-1 C-130 Engine Sling through Genair Ltd. In order to facilitate the process, we are signing this letter of authorization in order to allow Genaire Ltd to act as KWD's agent; to discuss, quote obtain authorization, handle and transfer the aforementioned item to KWD Manufacturing inc. to perform repairs and overhaul as requested by the Canadian DND. This letter authorizes Genaire Ltd to act as our agent with the Canadian (DND) with requested information pertaining to repairs and/or overhaul requirements for the ES125155-1 Sling.

Regards,

John E. Deane
President
